SUBJECT No. 521.

Repairs to road leading to Ghati Subramanyaswami temple.

Messrs. Naranappa and Karigiriyappa, Dodballapur Taluk, and Puttanna, Dodballapur Municipality.

Summary of discussion.—The road leading to Ghati Subramanyaswami temple on which large traffic is carried at the annual fair time, is made of gravel. The same may be paved with metal and made more useful and passable.

Reply of Government.—Will be considered in the Muzrai Department.

SUBJECT No. 522.

A water-supply project for Dodballapur Town.

Messrs. Naranappa and Karigiriyappa, Dodballapur Taluk, and Puttanna, Dodballapur Municipality.

Summary of discussion.—The population of Dodballapur town numbering about 8,000 have no convenient water-supply. Even the brackish water available in wells during the rainy season is to be drawn from about a depth of 75 or 80 feet. The matter has been under long correspondence and is still pending. The question may be settled early.

Reply of Government.—Will be expedited.

SUBJECT No. 523.

Raising the kodi of Sandalvadikere.

Mr. Channalingappa, Patel, Nelamangala Taluk.

Summary of discussion.—The Sandalvadi tank, Tyamagondlu, before it breached, was supplying water satisfactorily when once filled to 6 or 7 villages. In restoring it the Public Works Department lowered the kodi by three feet and in consequence none of the villages receives sufficient water. Requests that the kodi may be ordered to be raised to its former height.

Reply of Government.—This will be enquired into.

SUBJECT No. 524.

The restoration of the road on the bund of Sandalvadikere.

Mr. Channalingappa, Patel, Nelamangala Taluk.

Summary of discussion.—The road over the bund and kodi is used by the people as a road for traffic. At the time of the restoration of the tank the road over the kodi was removed to the pit or kodihalla below causing thereby great inconvenience to cart-traffic. The old road may be restored by putting a bridge over the kodi and the inconvenience removed.

Reply of Government.—The matter will be referred to the District Board.

SUBJECT No. 525.

The Kumudvati Project.

Mr. Naraharaiya, Nelamangala Taluk.

Summary of discussion.—The proposed project to dam the Kumudvati river will be a hardship to the people of this taluk if carried out. The soil of the land to be brought under the atchkat is gravelly and water is not available in this stream at all the seasons of the year. Four or five big villages with some valuable lands will be submerged. Some of these villages have already been provided with two big tanks built by Government at a large outlay.

Reply of Government.—This is not to be undertaken at present.

SUBJECT No. 526.

Channapatna Girls' School.

Mr. Rumasanjeevaiya, Channapatna Municipality.

Summary of discussion.—At present a monthly grant of Rs. 18 is given to the Jayalakshammanni Girls' School at Channapatna. It is a long standing prayer that this school should be taken under Government management.

Reply of Government.—Cannot be done.
